

Young Canadian Leadership Challenge Offline Registration

(please download and print on your computer/printer)

If you **do not** have e-mail in your home, you may register by mail by filling out the form below. As some arrangements cannot be finalized until close to the time of the event, we always send participants printed material and late-breaking news as the YCLC weekend approaches, and would greatly appreciate if you could ask a friend who **does have e-mail** if they would pass messages on to you. If even this is not possible, we will contact you shortly before the YCLC by phone.

Please answer all questions. We require each and every answer for our records. Where a question does not apply to you, please answer : Non/applicable

Due to time limitations, this mail-in REGISTRATION must also include your fees. Check on the current fee for the category in which you fit, and send two cheques - one dated now and one dated the date of the program you want to attend - each for 50% of the total. One is a non-refundable deposit and the other will be cashed only when you arrive. If, for any reason, the YCLC is not held, your fees will be refunded in full. **Please make your cheques out to YCLC Canada Inc. and send them to 32 ch. River, Cantley, Québec J8V 3A1.** We're sorry, but at this time we do not have the capacity to service credit or debit cards. Should you have further questions which are not answered on our web site, there is a phone number and e-mail address posted which will allow you to contact a staff member or local YCLC volunteer who will answer remaining questions. May we welcome you to an exciting and rewarding program. We are very pleased to have you aboard and will be in touch with you soon.
